

Hoping to find everyone well in preparation of the most joyous season, Christmas!

This is the time of the year when many of you look forward to taste our famous Fruit Pies & Tourtières. Unfortunately, the Heavenly Pie group won't be in a situation to fulfill its fruit pie and tourtière mandate this year for a variety of reasons. This fundraiser has raised a lot of money and has promoted our little white church among our large community and even in other parts of the City. We hope to be back in action next year!

We have greatly appreciated your business. We hope that you will find some other delicious tourtières for this Christmas but remembering ours for Christmas 2026.

You are always welcome to visit St.Gabriel's on Sundays and certainly during the Christmas Season. Please check our St.Gabriel's website for mass times.

Sincerely,

Martine Messier  
St.Gabriel's Fundraising Chairperson
